STAT

I was distressed to learn of the unfortunate confusion last Saturday which regrettably resulted in your not attending the "Alumni Day" activities. I am indeed sorry that you were not with us and hope that at some time in the near future you will be free to come and lunch with some of my associates who work in the area in which you made such great and much appreciated contributions. They will be able to give you personally the briefing you unfortunately missed last week.

With best regards.

Sincerely yours,

/s/ W. E. Colby
